“Magic Man” Jeff Roberts:

Born in Oklahoma City, OK, Jeff is **SOONER born & SOONER bred**. He grew up in Bethany, attended Bethany High School & was totally consumed with FOOTBALL! (*still is*) Jeff's married to Janet and together they have three children; Stephanie, Luke & Mark. They reside in Edmond.

Here are few of Jeff's favorite things:

Color: Red

Food: Mexican, Pizza or anything else that's available.

Sports teams: OU Football, Dallas Cowboys, Cubs and the Thunder

Rachael James:

Rachael is a single, 30-something, radio host and podcast editor born and raised in Oklahoma City. Her interests include hiking in the mountains, watching OKC Thunder basketball, running, road trips to anywhere, movies that are smart without making her think too much, and “vapor soul” music. (According to Spotify. She's still not sure what that means.) When she's not working, you'll likely find her chasing her niece, watching something written by Michael Schur, or researching New Zealand and tiny homes.

Steve O'Brien:

Steve has been on 104.1 since 1985.

Hometown: Piedmont, Oklahoma. I now live in Edmond but stay in touch with friends from Piedmont.

Family: Wife Lori and our boys Kyle and Carson.

Brushes with Greatness: Meeting Paul McCartney! I got to interview him for about 15 minutes before one of his shows in Oklahoma City. He's one of the nicest people you'll ever meet and he's got some great stories too!

Favorite Foods: Chick-Fil-A , Pizza, Hamburgers and a good steak!

Favorite Drink: Dr.Pepper, it's my morning coffee.

Sports Teams: Oklahoma City Thunder, we go to as many games as we can. Also a longtime St. Louis Cardinals Fan and I always root for both the Sooners and the Cowboys.

Hobbies: We love spending Summer weekends at Lake Eufaula. I've always loved music and movies and still collect CD's, LP's & DVD's. Still enjoy going to concerts and the movies!

Dave McKay: Dave was born in San Jose, California, and moved to Oklahoma to attend the University of Oklahoma. Dave and his wife, Kim, have one son, Tim. He says the one thing he's most proud of, of his 26 years at KMGL, is the relationships with the listeners who have become almost like family.

Here are few of Dave's favorite things:

Food: Pizza

Drink: Dr. Pepper

Movie: Willy Wonka & The Chocolate Factory or any James Bond movie

TV Show: Modern Family

Male artist: Phil Collins

Female artist: Sarah McLachlan

Band: a-ha

Sports teams: Giants, Sharks, Steelers, Sooners and Thunder

Delilah: Delilah is the most-listened-to-woman on radio in the U.S. Delilah's soothing voice, open heart and love of music have expanded her audience to more than eight million weekly listeners on approximately 160 radio stations in the U.S. Delilah, who celebrated the 30-year anniversary of her nighttime radio program in 2016, was honored with the radio industry's highest accolades— an induction into the National Radio Hall of Fame in 2016m and the 2017 National Association of Broadcasters (NAB) Broadcast Hall of Fame induction, marking the first time in 35 years that a woman would receive such a distinction. Delilah's distinctive blend of story-telling, sympathetic listening and encouragement— all scored with adult contemporary music— makes her top ranked in most cities with female and male listeners, alike. She says her show is a “safety zone where listeners take off their armor, slip into a ‘Mr. Rogers’ cardigan, sit around the electronic hearth and share their secrets.”
